Why did I turn back ... Why ??
Eating the shiny fish turned me into a human and I turned back in evening...
Does it have to do with sun?
So... I can turn into a human during only day light ...

Today may be Saturday, but don't go out playing. Study and study.
Of course, if you wanna be a bum in the future, sure, keep playing, hahaha!

< Why do you always...>

Are you getting ready for the exhibit ?
What ? Oh... No.
You are not going to ?
Do you not want to or is there a reason that you can't ? ?
I want to ...
Then do it.
But i have to study and my parents are really against drawing...

What was that glare for?
You are normally stupidly nice to girls. Why were you mean to Sim-He ?
I don't know ... I just don't want to see such a skill going wasted. She has the basics to be far better but she isn't even trying hard.

Meanwhile, we are going back in time...
While they were still at school ...
